You will receive an incomplete profile text message if you try to text your attendance and have a missing degree and/or profession in your profile. Please complete the fields in your CloudCME® profile before texting attendance.

¹ You must text an SMS text message not an iMessage, if using iOS.

Unfortunately, your profile is incomplete and your attendance could not be recorded. Please update your profile and text in attendance again.

You can only record attendance once to an activity. If you try to record attendance an additional time, you will receive the following text message.

If you attempt to record your attendance to an activity for which you are not registered, you will receive the following text message.
