

# Disclosure Form Required by The Standards for Integrity and Independence

***This section to be completed by the Planner, Faculty, Author, Content Reviewer or Others Who May Control Educational Content:***

Please disclose all financial relationships that you have had in the past 24 months with ineligible companies (see definition below). For each financial relationship, enter the **name** of the ineligible company and the **nature** of the financial relationship(s). There is no minimum financial threshold. We ask that you disclose all financial relationships, regardless of the amount, with ineligible companies.

Please complete the information below, and then scroll to the bottom of the screen and click Submit. Required fields are indicated with an asterisk (\*) and must be completed, the form cannot be submitted without an answer.

**Within the past 24 months, have you received financial support (in any amount) from an ineligible company (including employment, consulting, research grant support, honoraria, etc.)?**

- Yes. In the past 24 months, I have an existing and/or have had a financial relationship with an ineligible company (list these relationships below).
- No. In the past 24 months, I have not had a financial relationship with an ineligible company.

## Attestation

I have disclosed all relevant financial relationships and I will disclose this information to learners.

- Yes  No

The content and/or presentation of the information with which I am involved will promote quality or improvements in health care and will not promote a specific proprietary business interest of a commercial interest. Content for this activity, including any presentation of therapeutic options, will be balanced, evidence-based and commercially unbiased.

- Yes  No

I understand that my presentation/content may need to be reviewed prior to this activity, and I will provide educational content and resources in advance as requested.

- Yes  No

If I am providing recommendations involving clinical medicine, they will be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients. All scientific research referred to will conform to the generally accepted standard of experimental design, data collection and analysis.

- Yes  No

I attest that the above information is correct as of this date of submission (sign below):
